

South Yorkshire Housing Association choose QL Housing from Aareon

Aareon UK Limited are pleased to announce that South Yorkshire Housing Association have chosen QL Housing as their new housing software.

With 4,500 properties in the areas of both general needs and Care & Supported Housing, SYHA is a forward-looking organisation which has established a reputation as being innovative and committed to meeting the challenge of housing and community regeneration.

SYHA was established in 1972 and has over 30 years experience in providing affordable housing and care, making SYHA the largest provider of Care and Supported Housing in the region.

SYHA are the latest organisation to recognize the benefits that QL housing offers. QL is an established and leading family of software solutions in the social housing marketplace in the UK. The products share one database, eliminating the need for interfaces and the subsequent reconciliation.

With over 100 customers in the UK, and as part of the leading European Housing IT Provider, Aareon has over 6.5 million units of stock managed on our software throughout Europe.
